CHRISTIAN SCIENCE CHURCHES
The Palmist's words, "I wait for the Lord, my soul doth wait, and in his word do I hope," constitute the Golden Text in the Lesson-Sermon on "Soul and Body," Sunday, November 20, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
One of the Bible selections in the Lesson-Sermon presents Paul's exhortations to the Corinthians: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. . . . For we that are in this tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life. . . . Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord. . . . We are confident, I say, and willing rather, to be absent from the body, and to be present with the Lord."
A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "To be 'with the Lord' is to be in obedience to the law of God, to be absolutely governed by divine Love,—by Spirit, not by matter."

Christian Science Lectures Radiocast

Residents of this vicinity will have an opportunity to hear over the radio authorized Christian Science lectures by members of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., as follows:

Assemblyman Rawls Outlines Policies, Thanks Supporters

John T. Rawls, assemblyman-elect to the state legislature, issued the following statement this week:
"I wish to thank each and every one who played a part in the success of the Democratic party in this district and the many voters who have elected me to the office of state assemblyman to represent them in the coming session of the California legislature at Sacramento, and my motto shall be: 'Equal rights to all, and special privilege to none.'
"It is the duty of the legislature to establish just laws, and I shall keep the honor sacred which you have conferred upon me."
"JOHN T. RAWLS."

Mrs. Minnie Smith Passed Away Sun. After Long Illness

Mrs. Minnie T. Smith, aged 60 years, mother of Baker T. Smith, passed away suddenly on Sunday, November 13, at the home of her son, 2326 El Dorado, after a long period of ill health due to a stroke. Mrs. Smith's death was unlooked for at this time, and occurred during the temporary absence of the other members of the family. She was found lifeless in her chair when Mr. Smith returned home.
Christian Science services were held Tuesday afternoon at 2 o'clock from Stone & Myers chapel. Interment was made at Roosevelt Memorial Park.
Mrs. Smith is survived by two sons, Baker T. Smith, with whom she had made her home in Torrance for the past ten years, and E. T. Smith of Bellflower.

HERE and THERE with the GIRL SCOUTS

By Rosanna Henley

TROOP 1
Last week the girls of Troop 1, Girl Scouts, enjoyed a swimming party at Redondo plunge instead of the regular meeting. A good time was had by all. Mrs. Mize and Captain Miller accompanied the girls. At Court of Honor it was decided to have a Girl Scout basket. The basket will be given to some needy family for Thanksgiving. Plans are being made and discussed for a trip to the snow in January.

TROOP 79
Today the Scouts of Troop 79 will hold their regular meeting with their new mistress, Mrs. McDonald. Plans will be made for the following meeting.

"There is no trick to cooking with a Clock Controlled Gas Range"

Suppose that you want cooking to start at four-thirty o'clock and to stop at six. You want oven temperature to remain at 350 degrees. You simply set the clock and oven heat regulator to do your bidding, and you are free to go—to give your entire attention to other matters.

With time and temperature positively controlled, cooking results are always just right. There is assurance in modern cooking. There is unequalled economy, too. Cooking with natural gas costs as little as a quarter of a cent a person a meal.

See the display of your dealer or gas company, and look for the Blue Star Seal of the American Gas Association Testing Laboratory.
